Hello Ladislav,

The driver called us from and advised the seller is not available until Wednesday for pick up, we will have to reschedule the driver.

We will keep you advised!

Hi Ladislav,

The seller is out of town on an RV trip and on his way back home, he anticipated to be back next week Wednesday or Thursday.

The driver cancelled the order as he cannot wait to pick up this long, we will arrange to pick up once he is back home.

Hi Ladislav,

I apologize - the driver could not reach the seller so cancelled the order, is there another number we can try?

Thank you,

Veronica
